

Degree and Certificate Eligibility

The current *Academic Catalog* in effect at the time of admission to the CIA describes the academic requirements, policies, and responsibilities obligatory to both students and the college. Should academic requirements change during a student's uninterrupted course of study, the student is not required to abide by the changes unless it is specifically stated otherwise. The catalog at the time of admission will serve as the guide.

Students experiencing an interruption of study lasting a year or more must request readmission. For the full policy on readmission to The Culinary Institute of America, please see the [Readmission Policy](#). The catalog in effect at the time of readmission will determine the academic requirements needed for the student to complete the degree or certificate program. The CIA will not waive any new requirements, but will make every effort to minimize the impact of such changes on the student.

Students requesting readmission into degree programs that began prior to 2002 (the year of the CIA's accreditation by the Middle States Commission on Higher Education) will be required to complete College Writing (LITC-100), request transfer credit for the course taken at another accredited college or university, or score 50 or higher on the College Level Examination Program (CLEP) Composition Modular (no essay). See [Transfer Credit](#) for more details.

A student who has successfully completed all courses, maintained the minimum cumulative grade point average of 2.0 required for graduation, and met all attendance requirements will be considered an eligible candidate for the earned degree or certificate. Degrees and certificates are conferred at the conclusion of the student's final semester regardless of the end date of the final course.
