Health Insurance

The CIA has incorporated a mandatory annual student health insurance plan through United Health Care beginning September 1, 2022. The plan is offered to all domestic and international fulltime students. Domestic students may waive out of the health insurance plan by providing proof of current, comparable health insurance coverage through a family or individual plan. International students are not eligible to opt out and must enroll in the plan offered by the CIA. Cost of insurance for students starting in the Spring or Summer semester will be pro-rated accordingly. For more details about coverage and enrollment, please contact Haylor, Freyer, & Coon at (866) 535-0456 or email student@haylor.com

Personal Health Resources

Students should check with their insurance provider for a list of physicians or care providers in the area where they will be attending the CIA who accept the insurance. Students who need medical insurance can go to the online Health Insurance Marketplace in their permanent state of residence to get coverage.
