

# Payment Policy

Student account and payment policies for the CIA campuses in the United States are in the [Payment Policy](#) section of the *CIA Academic Catalog*.

## Loan Repayment

All loans taken out to finance a student's education must be paid in full and in a timely manner. Failure to repay loan(s) will affect the student's credit rating and ability to use federal funding in the future. Upon graduation or otherwise exiting the CIA, student borrowers will be given information on loan repayment terms and conditions.

The CIA is dedicated to keeping costs to students as low as possible while maintaining the high quality of its programs, services, and facilities.
