

Registered Sex Offenders

The CIA will not provide housing to any student required by law to register as a sex offender. If a registered sex offender is discovered to be residing on campus, the student's housing contract will be immediately terminated and the student will be required to vacate housing within 24 hours. The student will not be eligible for any refund or housing fees. If the student did not disclose the sex offense on their application to the college, the student can be expelled.
