

# Residence Halls

The CIA offers on-campus housing at its Hyde Park, New York and St. Helena, California campuses.

New, first-time students are guaranteed assignment to a residence hall provided the college has received their housing application by the priority deadline of at least 45 days prior to their entry date. Information about the housing application is included in the registration packet sent to students following their admission to the college. All new and returning students must complete the on-campus housing application located on CIA Main Menu (the CIA student portal). Please note that there is no on-campus accommodation for married couples. The college reserves the right to close the residence halls and require students to vacate the halls during school intersession periods.

For additional information about living on campus, see the [Student Handbook](#).

## New York Campus

The college maintains on-campus residential facilities, providing housing for more than 1,700 students. Four residence halls, six Adirondack-style lodges, and 20 townhouses help meet student demand for housing on campus, and the college's goal of providing accommodations for all students requesting housing.

Occupancy in all residence halls [include](#) single-, double-, triple-, or quadruple-occupancy rooms with private or shared bath. Residential housing is a privilege, and students are expected to adhere to college behavioral standards and be cooperative members of the residential community.

The pricing of campus housing for each semester varies with the type of accommodation, but includes all utilities, laundry facilities, and wireless Internet. There are no large security deposits required. All rooms are furnished with a desk, chair, dresser, wardrobe or closet, and bed for each student. Rooms are also air-conditioned and equipped with a provided MicroFridge® (microwave/refrigerator combination unit).

Additional amenities in the residence halls include a common lounge, laundry facilities (no fee), computer rooms with equipment and Internet access provided, and kitchen facilities for student use. Trained full-time professionals and part-time paraprofessionals reside in each residence hall, and provide supervision, guidance, and activities for residential students.

## California Campus

The CIA at Greystone maintains residential facilities that provide housing for more than 150 students, both on campus in the Guest House, and at the Vineyard Lodge Housing Center. Vineyard Lodge II, one of two residence halls at the Center, holds LEED (Leadership in Energy and Environmental Design) Gold certification from the U.S. Green Building Council, offering students the chance to live in—and learn from living in—an environmentally conscious facility.
