

Room Cost

All students requesting campus housing are pre-billed at the rate of a double-occupancy room, regardless of their request or actual room assignment. If a student is assigned to a room with a room cost greater or less than the double rate, the student will receive an adjustment to the student's account upon assignment. Pre-billing at the double rate does not constitute a guaranteed assignment to a double room. Room cost is prorated on a nightly basis for any time period less than a full semester unless directed by the housing refund schedule. All students are subject to room rate increases which go into effect July 1st of each year. The Tuition and Fees page of the CIA website provides the most up-to-date room cost information.
