

# Vaccination Policy

## Purpose

This policy identifies the vaccination requirements for students to attend The Culinary Institute of America (CIA).

## Policy Statement

Individual State Public Health Laws require students who are in attendance at institutions of higher education to provide documentation of having received specified vaccinations, proof of immunity, or exemption to receiving vaccinations as outlined by the Centers for Disease Control and Prevention (CDC).

Students attending a U.S. domestic campus are required to be in compliance with The Culinary Institute of America's Vaccination Policy.

The entire Vaccination Policy can be found on the CIA Main Menu Policies and Procedures page.
