

BAKE-254 : Café Operations

Experience the reality of producing and marketing products in the setting of an actual bakery café. Students prepare, display, and present savory items, pastry products, and signature baked goods. In an on-campus bakery café environment, students practice the skills of controlling inventory, analyzing sales, and operating a complete shop. Specialty items for customers are developed under the direction of a faculty member.

Credits 3

Prerequisites

Individual & Production Pastries (BAKE-215)
